

## Maximize Your Space with Spiral Stairs

Designed for efficiency, spiral staircases take up significantly less space than traditional stair layouts, making them an ideal solution when footprint matters.

Diameter of Spiral Staircase	Spiral Staircase Footprint (sq ft)	Traditional Staircase Footprint (sq ft)	Space Saved (sq ft)
5 feet	19.63	45	25.37
5 feet 6 inches (5.5 feet)	23.76	45	21.24
6 feet	28.27	45	16.73
